Cru (formerly Campus Crusade for Christ)

Supported by Grace Church since 1970

After meeting through Campus Crusade at ISU, Roger and Maggie married and served with Cru around the US in various administrative leadership positions. Roger became the Associate National Director in 1980, then VP for Global Administration in 2002. As their 4 children grew, Maggie also became involved in leadership, eventually becoming Associate Nat'l. HR Director. She later developed Global Human Resources.

Roger transitioned out of his last role in 2010 and is moving into his position of Director of Operational Advisory Services that includes internal audits and organizational effectiveness. Maggie continues to work in Global Operations but is seeking God for her future role.
