**Great Commission Ministries –  
Cornerstone Christian Fellowship**

Supported by Grace Church since 2009

Mike and Michelle came to know Jesus in their late teens. While attending UIUC they met and were involved with a GCM campus church. During their later college years God awakened a passion for ministry in each of them. Mike joined staff with GCM in 1997. After a couple years at UIUC they joined a team preparing to launch a new church at ISU's campus in the fall of 2001.

Cornerstone is gospel-focused with an emphasis on discipleship. Raising up the next generation to be spiritual leaders, spiritual husbands, wives, and parents is a great motivator in the Klunkes' personal ministry. It's their desire to send into the Church at large students who are extremely well-equipped, ready to carry the Church forward. They are passionate about attracting more staff, seeing a team raised up locally, and commissioning a church plant team to start a new work on a new campus in 2017.
