Josiah Venture

Supported by Grace since 2001

Todd grew up in Tremont, IL. After studying at Illinois Central, Moody and Wheaton he became a youth pastor in Tremont for two years. He joined Josiah Venture's staff in E. Europe in 1994, living in the Czech Republic for seven years and in Romania for four. During this time he and Hannah met and then married in 2001.

They moved from Timisoara, Romania to Tacoma, WA in 2008. Todd is currently responsible for the church planting efforts of Josiah Venture in seven different E. European countries: Latvia, Estonia, Romania, Slovenia, Poland, Slovakia, and the Czech Republic. They are praying that God would plant 1,000 healthy, reproducing churches in this region in the next 15 years. Todd also helps with the training of church planters in the U.S. through Soma Communities and the GCM Collective.
