Navigators

Supported by Grace (Home Church) since
1990

Both from the Chicago suburbs, Jim and Linda have been with Navigators since 1983. Jim was the Campus Director for The Navigators ministry at ISU during their years here, 1990–1999, at which time they attended Grace. Jim now has two leadership roles, Campus Director at Colorado State University and also Regional Leader for the Rocky Mountain Region. In that role he supervises the collegiate staff and campus ministries in Montana, Wyoming, Colorado, and New Mexico.

There are about 250 students in Navs at CSU. Based on Matthew 9:37–38, where Jesus says the need is for laborers, they are raising up students to become lifetime laborers who have a passion for Christ, will reach lost people for Christ, and make disciples. They are strong believers in the importance of the local church. Their campus is a training center for young staff, which has sent out over 60 full time staff from their region over the last decade.
