Missio Link International

Supported by Grace since 2003

Pastor Aurel grew up in Alba Iulia. Since 1997, he has served in the Baptist Church of Campeni, serving Avram-Iancu and Vadu Motilor. Currently, the Rodeans' primary work is youth ministry and women's ministry. They have a program to evangelize as many of the young people from Campeni as possible. They rent a sports hall two times a week and play games, have youth meetings, and do one-on-one evangelism.

Elena helps to facilitate the women's ministry, in which they mainly reach out to those women who do not have Christian husbands. They visit and encourage these women, building relationships with them. They would like to build one more building in the future for special activities with young people in order to expand our ministry.
