TEAM

Supported by Grace Church since 1971

Carl and Barb met at Moody in 1955, and married upon graduation. After pastoring for a brief time, they joined TEAM and left the U.S. in 1966 with 3 children to serve in the United Arab Emirates. They served at Oasis Hospital, Carl supervising maintenance and construction, and Barbara doing hospital administration. They began to learn Beduin Arabic, and in 1972 began a work in the capital, Abu Dhabi, doing Arab Bible study, and also having church in their home for expatriates.

Carl also supervised construction of two housing structures and a church with grants of land from the government. In 1988 the Sherbecks began church planting efforts in Dubai until the end of their ministry, over 36 years in the Arabian Gulf. On a recent visit the Sherbecks attended a youth meeting of about 50 young people, nearly half of them Muslim converts.
