

# **TIP Sheet** (Take It Personal)

Use the questions below to aid you in making personal application of your study in the Word.

## **The Life-Changing Power of the Gospel**

Galatians 1:11-2:10

1-18-2015

1. After reading the above text, what claims does Paul appear to be refuting? In other words, why does Paul feel it necessary to present his case for the gospel he preaches?
2. How does Paul describe his life before becoming a follower of Christ? (1:13-14)
3. What do you think Paul means by the statement “he who set me apart before I was born...”? (v. 15)  
(Compare Jeremiah 1:5, Psalm 139:13-16)
4. Trace Paul’s spiritual journey to “saving faith” in Christ. Read Acts 26:1-23.

5. What results do you see of a gospel changed-life from this section of Scripture. (1:10, 23-24)

The gospel is not.....

The gospel is.....

6. As you look back in your own life, how can you see that God was working, even though you may not have known it at the time?
7. Trace your spiritual journey to Christ. If you have not yet placed saving faith in Christ for forgiveness of your sins, at what point do you see yourself in the journey?

My life before Christ...

Then... (how would you describe the “revealing of Christ to you”?)

My life now....

8. Is Paul’s statement in 1:24 true for you also?

**What has God impressed upon you from this study?**
